

A magic world for adult and student groups

This wonderful trip gathers the most beautiful elements of Guatemala. You visit the best natural assets of the country, witness the traditions of the indigenous people and discover the most important archaeological sites.

Your will ride on a small boat trough the jungle and see the most amazing landscapes and wildlife. The tour starts by visiting the colonial jewel of Antigua Guatemala and then travels to the highlands of the contry. You will see the most beautiful and colourful markets, without forgetting the local people and the most important markets of all, Chichicastenango and the San Francisco. When exiting the highlands, you will continue on the Mayan route using the same ways the ancient merchants used.

Themes of the tour: Adventure, archaeology, nature and Mayan culture. Guided tours are available in the following languages: English, French and Spanish. Hotel category available at all rating levels. You may also spend a night in a coffee ranch, tropical island, summit volcano, and archaeological site.

AVENTURES TROPICALES

The leader in discovery travels

TROPICAL ADVENTURE is the leader in discovery travels, student trips, school travels and private adult tours. Our circuits are unceasingly reorganized and improved to give you a better service. Many new destinations are added every year. Among the newest additions is the interdependent tourism. Our discovery travels in remote area, still unknown from many tourists, will surprise you and give hot sensations to the most adventurous.

Our designers have created an original itinerary for the discovering of the mystic world of Guatemala, located between pyramids and ancient traditions. A civilization born from ancestors and gods that fascinate by its ancient work. Don't miss this memorable experience with our professional staff. Many people have enjoyed travelling with us and discovering the wonderful and mystical Mayan World and other interesting places Guatemala has to offer.

INTERNATIONAL COOPERATION. We offer a wonderful sustainable tourism project for student groups in Guatemala. The traveller will meet the population and live a human and memorable experience in aiding the community.

SPANISH IMMERSION. Our learning programs are available for all ages and offer a total immersion experience as well as real contact with a Mayan village. You can lodge in a local host family. Guatemala has an international reputation for excellence and offers the best learning schools. Among all the Latin American languages, Spanish spoken in Guatemala is the closest to the real Spanish spoken in Spain.

SPANISH SCHOOLS. Our schools are approved by the Board of Education of Guatemala and visited by numerous university and international agency members. The teachers are selected, qualified and recognized by Guatemalan Universities. Each and every one has received a special training for foreign students to ensure a fast and effective learning experience. An intensive One teacher, One student custom program assures you a warm and human approach that makes learning a second language easy.

GUATEMALA

CULTURE. In Guatemala, a large percentage of the population is indigenous. Descendant of the ancient Mayans, these people have retained a distinct identity. Deeply rooted in the rural highlands of Guatemala, many of them still speak a Mayan language, follow traditional religious and village mores, and continue a rich tradition in textiles and other crafts. With us you will discover the wonderful world of the Mayan culture

COFFEE TOUR Guatemala's economy has been traditionally based on exports of coffee. Imagine following the journey of a coffee bean, from the plant to your morning cup of gourmet coffee. Our professional guide will escort you to coffee fields, tropical gardens and coffee processing facilities.
